

Fiesta Tango

Music: Tango 4/4

Tempo: 27 measures of 4 beats: 108 beats per minute

Dance Hold: Reverse Kilian. Both partners skate the same steps

The tempo of the Fiesta Tango is a slow tango rhythm, and partners should strive for upright carriage, soft knee action easy flow and smooth uniform leg swings.

Step 8 allows for very pleasing interpretation. It is begun with an open stroke, followed by a swing at the third count of the step. For the remaining counts of the step there are no restrictions as to the use of the free leg, and this can add a great deal to the interpretation of the Tango expression. Note, however, the change of edge must be executed on the correct beat of the music as shown on the diagram.

The sequence of steps in this dance allows for easy, rhythmical movements and partners should be able to interpret the music and skate the steps in a very pleasing style.
